ABOUT US

Hutter & Dhira was founded by Dr. Silvan Hutter (1961–2004) and Dhira Yoonaidharma in 1994.

We are an independent Thai law firm committed to delivering high-quality legal services to local and international businesses.

With over three decades of experience, we have cultivated a deep understanding of both local and global business environments, allowing us to offer expert legal counsel that bridges the gap between cultures.

Our unique ability to view international transactions through both Thai and global lenses gives us a strategic advantage, enabling us to deliver tailored, effective solutions that meet the diverse needs of our clients.

Our clientele spans across multiple regions, including Europe, particularly Switzerland, the United States, and key markets in Asia such as Korea, Japan, Singapore, and Malaysia.

We have built a reputation for delivering top-tier legal services, offering expertise in navigating the complexities of Thailand's legal landscape for foreign investors.

Whether it's market entry, corporate structuring, compliance, or dispute resolution, our team is committed to helping businesses successfully operate in Thailand.

At Hutter & Dhira, we are dedicated to upholding the highest standards of professionalism and legal expertise.

We pride ourselves on being a trusted partner for our clients, working closely with them to ensure their business objectives are met in a timely and efficient manner.

Our team of legal professionals is committed to providing solutions that not only meet but exceed expectations.

Dhira Yoonaidharma

Founder and Managing Partner

dhira@hutterdhira.com

Dhira has been a partner of Hutter & Dhira since 1994. Dhira obtained his LL.M. from Thammasat University, barrister-at-law admitted to practice in Thailand, and hold his LL.B. from Ramkhamhaeng University.

Prior to join Hutter & Dhira, Dhira worked for a large number of years with the governmental authority and subsequently with international law firms. His practices are broadly based on foreign direct investment starting from general corporate practices, banking and finance, insurance, merger, acquisition, joint ventures, real estate, intellectual property, telecommunication, as well as other complex commercial transactions. Dhira also has particular expertise in advising on regulatory and transactional matters of litigation and arbitration.

SERVICES FOR OUR CLIENTS

With an extensive expertise in foreign business investment in Thailand, we provide full range of legal business services to clients starting from

setting up a company/joint venture/branch office/representative office until obtaining various permissions from the Thai authorities this will include applying for protection of their intellectual property i.e. trademark/service mark, patent registration.

Our goal is to provide seamless legal support to our clients, ensuring they can focus on their business while we handle the complexities of Thai law.

- **Arbitration and Litigation**

Our services include dispute prevention and risk assessment, mediation, court litigation, enforcement of judgments and arbitral awards, and strategic dispute resolution designed to protect our clients' commercial interests.

- **Corporate and Commercial Transactions**

We advise local and international businesses, including foreign investors, on corporate and commercial matters in Thailand. Our services include company incorporation, business and investment structuring, mergers and acquisitions, joint ventures, BOI and Foreign Business License applications, corporate governance, regulatory compliance, business licensing, and ongoing corporate legal support.

- **Contracts**

We provide comprehensive legal services relating to the drafting, review, negotiation, and enforcement of contracts. Our experience includes commercial agreements, service contracts, distribution agreements, employment agreements, confidentiality agreements, joint venture agreements, and cross-border business transactions.

- **Finance, Banking and Insurance**

We assist financial institutions, investors, lenders, borrowers, and insurance providers in navigating complex financial transactions and regulatory requirements. Our expertise includes secured and unsecured lending, corporate finance, project finance, banking regulations, insurance matters, security documentation, guarantees, and compliance obligations.

- **Immigration**

We advise individuals, investors, executives, and businesses on Thai immigration matters. Our services include visa applications, work permits, business visas, long-term residency programs, employment-related immigration matters, and compliance with immigration regulations.

- **Intellectual Property**

We help clients protect, manage, and enforce their intellectual property rights. Our services include trademark registration, copyright protection, patent and design applications, licensing agreements, technology transfers, intellectual property due diligence, infringement actions, and brand protection strategies.

- **Notarial Services**

Our licensed Notarial Services Attorneys provide notarization and certification services for documents intended for use in Thailand and abroad. We assist with authentication of signatures, certified copies, affidavits, powers of attorney, declarations, and other legal documents requiring notarization.

- **Real Estate and Environment**

We advise developers, investors, corporations, and individuals on a broad range of real estate and environmental matters. Our services include property acquisitions and disposals, due diligence, lease agreements, project development, land use issues, environmental compliance, regulatory approvals, and real estate financing transactions.

- **Taxation**

We advise businesses and individuals on a wide range of Thai and international tax matters, including corporate and personal income tax, withholding tax, double taxation agreements, and cross-border transactions. Our services also cover VAT, stamp duties, excise tax, customs duties, property and land tax, special business tax, tax planning, compliance, and tax dispute resolution.

- **Trade, Transportation, and Health**

We advise clients operating in trade, logistics, transportation, healthcare, and regulated industries. Our services include regulatory compliance, import and export matters, customs regulations, transportation agreements, logistics operations, healthcare licensing, pharmaceutical regulations, product registration, and industry-specific legal requirements.

- **Wills, Estates, and Family**

We assist individuals and families with estate planning, wealth preservation, succession matters, and family law issues. Our services include drafting wills, estate administration, probate proceedings, inheritance matters, trust-related advisory services, marital agreements, divorce proceedings, child custody arrangements, and family dispute resolution.

With a team of **10+** experienced lawyers and a track record of serving **1,000+** local and international clients, we provide comprehensive legal solutions across a broad range of practice areas, delivering practical, responsive, and results-oriented advice tailored to our clients' needs.

Our **notable clients** include leading local and international companies, investors, and entrepreneurs across a wide range of industries.
